

Saturday Oct 31st

Dear Wills Creek residents, as we are still in the grips of the COVID-19 pandemic, the annual Halloween gathering at the club house has been cancelled. The Social Committee takes the safety of our residents and visitors very seriously and felt that it would be difficult to have this function in a safe manner given the number of little ones trick or treating and moving in and out of the club house.

Residents are more than welcome to have trick or treaters come to their individual doors. We urge you to do so in a safe manner. Safe Halloween guidelines can be found on the BCCDC website. If you do not intend to welcome trick or treaters, we suggest you leave your lights off.
