Protect Yourself from Porch Pirates

- ✔ Collect your mail promptly after delivery
- ✔ Avoid sending cash or gift cards in the mail
- ✔ Plan ahead, if you'll be away, let Canada Post hold your mail until you return
- ✔ When shopping online, avoid having the packages delivered to your front door if you aren't home. Instead, have them shipped to your work or to a friend who is home to accept the delivery
- ✔ Don't just recycle. Shred documents that collect personal financial information
