Subject: Delayed Opening of hot tub

Dear Owners:

Each year we attempt to have the hot tub open for use and enjoyment on April 1st, so that it is operational and ready to use.

However, unfortunately due to the accident that occurred which damaged our main FOB entrance to the Amenities Building we must delay the opening.

In order to have access to the Exercise facilities we have found it necessary to keep the gate to the back entrance open.

For security and liability reasons, the pool gates cannot be unlocked and open to anyone.

The council has recently received permission from ICBC to move forward on the repair and are working with an approved quote to repair the door as quickly as possible.

We will provide updates as this situation progresses. Your council is focused on getting the hot tub open as soon as possible, for everyone's enjoyment.

Thank you for your patience as we work through the necessary steps to get this resolved.

Warm regards,
Wills Creek Strata Council
